I have met with Mr. Vega and we have began trimming and restaking the trees. We will continue this work over the next week or two. Mr. Vega is pleased with our response thus far and was very complimentary of staff. I will follow up when work is 100 prct complete.

Subject: Trees on Galt Ocean Drive

Hi Julie:

Jose Vega resides at the Commodore condo on the Galt. He feels that the trees on the Galt aren't being pruned properly, and in some cases may cause harm to people since the branches are too low. Mr. Vega talked with the commissioner and would like to meet with someone from P&R who is responsible for the trees so he can alert them to the problems.

Would you please have someone from P&R contact Mr. Vega to discuss this matter. Thanks.
