Hi Eric,

The PPA does include the 55% cost-share ratio, but we cannot confirm approval of the cost-share ratio until the document is signed off on by the Assistant Secretary of the Army and executed.

Thanks,

Nicole

Hi Nicole - We are very proud of your efforts to bring the Segment II project to fruition.

However, if the Corps didn't agree to a 55% cost-sharing ratio (as asserted by Commissioner LaMarca), what terms did they agree to in the negotiations you mentioned completing?
